WHAT THEY CAN HELP WITH:

ASBAH is the leading UK registered charity providing information and advice about Spina Bifida and Hydrocephalus to individuals, families and carers. They can provide :-

- support to parents before and around the birth of their baby, or diagnosis of the disability
- support to the child and family on educational matters
- specialised information and help on health matters
- help to access services for young people to progress towards taking control of their lives
- Advisers who provide advice, support and advocacy services and Specialist Advisers in education, health and continence management.

ASBAH works in partnership with a network of independent affiliated Local Associations to share information and promote good practice, and to deliver a range of high-quality support and specialist services
